

DEPARTMENT ASSOCIATION

Department of Biotechnology has two professional associations

1. MICROBIOLOGISTS SOCIETY, INDIA

Microbiologist Society, India is started during 2020 in the Department. The society sponsors and supports the students to conduct various activities like conferences, seminars, symposia, exhibition, lectures and also encourages research in the field of microbiology with the assistance of literature. All the faculty are life members of the association. Around 80% of students are members of this association.

2. BT ZILLION

BT ZILLION is one of the student association established in the department during 2007. Students organise both extracurricular and co curricular activities every year. Students actively participate in technical workshops/seminars/conferences held at state/national level. Paper, poster presentation/quiz/essay writing/collage etc. Every year an intra-college technical fest will be organized by the Biotechnology students.
