

Basaveshwar Engineering College (Autonomous), Bagalkot

## **Procedure for allotment of Open Elective subject**

During Even Semester 2021-22 (March 2022 to July 2022)

1. For each subject a maximum of 60 students will be allocated, based on the student's choice/preference and the CGPA, in first attempt, without backlogs.
2. In case, if more than 60 students have opted the subject as first choice, such students will be allotted a subject of their second choice, not exceeding the maximum strength of 60.
3. In case, if less than 25 students opt for a subject, the Elective will not be offered.
4. After allocation of Elective subjects to students without backlogs, allocation of the subjects to the students with backlogs will be done based on preferences opted.
5. Allocation of a subject to any student subsequently will be based on the CGPA and the number of backlogs.
