About BEC-IEEE family:

IEEE Student Branch (STB35261), Basaveshwar Engineering College, Bagalkot-587102. IEEE Student Branch Basaveshwar Engineering College was established in the year 1994. The Student branch is called as BEC-IEEE among peers. It has successfully completed 25 years with over various activities including technical, non-technical, humanitarian, and professional. BEC-IEEE is the entity of newly formed **IEEE North Karnataka Sub Section**, which is affiliated to IEEE Bangalore Section.

Important achievements of student branch:

Awards:

- Outstanding large student branch award for the year 2014, 2016
- The Darrel Chong student activity award in R10 for the year 2016
- R10 – Outstanding branch counsellor award in 1996
- IEEE Bangalore section – Outstanding branch counsellor award in 2010 & 2014
- First prize in poster presentation contest at AGM 2016 (Bangalore section) held at IISc
- Organized 53 activities during the year 2016

Initiative:

- BEC-IEEE student branch, with the help of Branch Counsellor has initiated IEEE activities/branches in BLDEA CET Bijapur, TEC Gadag, GIT Belgaum, KLECET Belgaum, HSIT Nidasoshi, GNEC Bidar, RNSIT Bangalore, AIEMS Bangalore, etc.
- Started IEEE-PES student chapter in 2016.

BEC-IEEE Annual Event: First annual technical event started KSHITIJ as state level program in 2005-06. Later this event was named NOVUS – a national technical event.

Best Practices of BEC-IEEE student branch:

- **BEC-IEEE ExCom nomination** – Chairman, Vice Chairman & Treasurer are from 3rd Yr. BE and Secretary is from 2nd Yr. BE. Following year, secretary becomes Chair and selects the new ExCom
- **Orientation** – Beginning of each academic year, BEC-IEEE SB conducts this program for first year students. This event attracts 100+ student members to IEEE professional membership
- **National days** like, Gandhiji & Shastriji birth anniversary, Teachers day, Children day are regularly celebrated on campus
- Fortnightly seminars by BEC-Faculty with doctorate degree. Topic will be their respective Ph.D work
- **IEEE-Spectrum day** – One topic from IEEE Spectrum magazine is discussed amongst BEC-IEEE student members
- **Visit to orphanage** – This is a mandatory activity of BEC-IEEE student members. The students provide computer literacy to the students at orphanage and also eat food with them.
