Building a Safe Campus: Anti-Ragging Awareness Programme For 1st Year MCA Students

On February 17, 2026, the Department of MCA organized a comprehensive Anti-Ragging Awareness Programme to the 1st-semester students. The session was designed to sensitize the new cohort to the institution's zero-tolerance policy and foster a secure, respectful learning environment.

Session Highlights:

The programme commenced with an introductory session **led by Prof. S. M. Magi, Head of the Department of MCA**, who emphasized the importance of maintaining professional conduct and a healthy campus culture.

The keynote awareness addresses were delivered by:

- **Dr. S. V. Gurushantanavar, HoD, Department of Mathematics.**
- **Prof. P. V. Kulkarni, Department of ISE.**

Both speakers provided valuable insights into the legal and ethical ramifications of ragging, urging students to prioritize mutual respect and academic integrity.

Departmental Oversight:

The Departmental Anti-Ragging Committee members—**Prof. M. H. Shirur, Prof. C. M. Jangin, and Prof. K. B.** Kurbet—further briefed the students on the specific grievance redressal mechanisms available within the department.
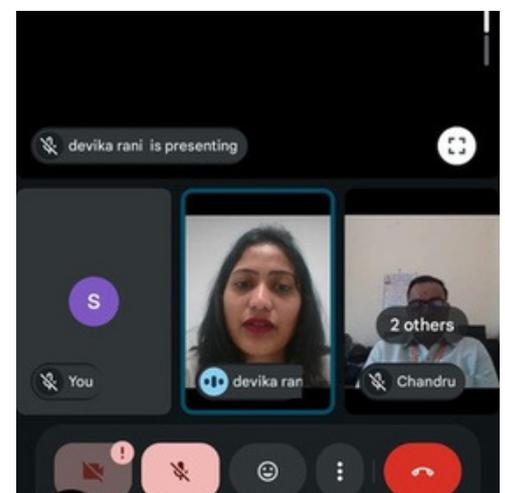

Academic Outreach: Sharing Expertise Beyond Campus

Prof. Sudha K. S. was **invited as a resource person** for an expert talk on " AI Driven Innovations in Science and R & D" organized by **Akkamahadevi Womens Arts, Science and Commerce College, Bagalkote on 05.02.2026.** The session focussed on how AI acts as a powerful tool that strengthens innovation and speeds up research processes and opens new possibilities in science and technology.

Industry Interaction:

Prof. Sangamesh M. Magi, **HoD** and Prof. Chandrashekarayya M. Jangin **Department Placement Coordinator** had interaction with **QSpider Pvt. Ltd Bangalore** and discussed potential collaboration opportunities for the benefit of MCA students.

Outcome of the Meeting:
- Industry-orientedtraining programs.
- Placement assistance and recruitment drives.
- Skill enhancement programs aligned with current IT industry requirements.
- Internship opportunities for MCA students.

Project Contest
