* Normalized marks for Civil Engineering (CE) and Mechanical Engineering (ME) Papers

** A candidate is considered qualified if the marks secured are greater than or equal to the qualifying marks mentioned for the category for which valid category certificate, if applicable, is produced along with this score card.

Organising Institute: Indian Institute of Technology Kharagpur

General Information

The GATE 2022 score is calculated using the formula

$$\text{GATE Score} = S_q + (S_t - S_q) \frac{(M - M_q)}{(M_t - M_q)}$$

where,
 M is the marks obtained by the candidate in the paper, mentioned on this GATE 2022 scorecard
 M_q is the qualifying marks for general category candidate in the paper
 M_t is the mean of marks of top 0.1% or top 10 (whichever is larger) of the candidates who appeared in the paper (in case of multi-session papers including all sessions)
 $S_q = 350$, is the score assigned to M_q
 $S_t = 900$, is the score assigned to M_t

In the GATE 2022 score formula, M_q is 25 marks (out of 100) or $\mu + \sigma$, whichever is greater. Here μ is the mean and σ is the standard deviation of marks of all the candidates who appeared in the paper.

Qualifying in GATE 2022 does not guarantee either an admission to a post-graduate program or a scholarship/assistantship. Admitting institutes may conduct further tests and interviews for final selection.

Graduate Aptitude Test in Engineering (GATE) 2022 was organized by Indian Institute of Technology Kharagpur on behalf of the National Coordination Board (NCB) – GATE for the Department of Higher Education, Ministry of Education (MoE), Government of India.

Fee Status: Overseas Tuition Fee: £25380

Dear Mr Patil

I am pleased to be able to confirm that the conditions of your offer have been met and that your offer of a place as shown above is now unconditional.

The start date of your programme is shown above.

A CAS (Confirmation of Acceptance for Study) to help with your visa application will be sent to you in due course. Please note that it is not possible to issue you with a CAS more than six months before the start date of your programme. Study in the UK is subject to time limits and regulations on academic progression set by UK Visas and Immigration (UKVI). If you have not already provided us with details of any study that you have undertaken in the UK (including study you have completed, are currently undertaking or have failed to complete) in the Qualifications section of your application then you must inform us of this now. Failure to provide this information may result in your offer being withdrawn.

The annual tuition fee for the academic year 2021/22 is shown above. Tuition fees are liable to increase in subsequent years.

Your acceptance is only confirmed for the programme stated above. Transferring to another programme can only be accommodated in certain circumstances which are at the discretion of the relevant academic department. For some programmes this will not be possible due to limited places.

Please note that you need to have sufficient funds available for your living costs and tuition fees for the duration of your programme. You will only become responsible for the payment of your tuition fees when you formally register for your programme. Information regarding the registration process will be sent to you before your programme commences.

Yours sincerely
