Date of Counseling: 02/07/2022

Semester: 2nd semester

Time: 12.15 pm to 2.00 pm

No. of students: 11

All the 11 students were counseled and were asked about the results. Among 11 students 5 students had cleared all the subjects and had no withdrawal. But rest of the students had withdrawn 1 subject and had two to four F grades. About 50% of the students had failed in their exams. Majority of the students have expressed their inability to cope up with 2nd semester classes and 1st semester SEE exams hand in hand. They had the difficulty to recollect and reproduce the 1st semester subjects during their SEE exams.

The key points discussed during the counseling are as follows:

2. Number of F and W grades in 1st semester.
3. Suggestions to improve their CIE and SEE marks by attending the classes regularly and approaching the faculty members for clarity in the respective subjects.
4. Percentage of Theory and Lab syllabus covered in 2nd semester.
5. To attend the related webinars.
6. To focus on Activity points
7. To share their feedback related to academics or any other issues.
