

**B. V. V. SANGHA'S**

**BASAVESHWAR ENGINEERING COLLEGE  
(AUTONOMOUS)**

**BAGALKOT – 587103, KARNATAKA**

**BOSCH-REXROTH Center for Industrial Automation**

**In charge : Dr. Ashok Sutagundar**

The BEC-Bosch Rexroth centre of competence will have facilities to impart hands-on training and education in five vital areas such as industrial hydraulics, pneumatics, programmable logic controllers (PLC's), sensorics, and mechatronics. Industrial automation technology that involves hydraulic and pneumatic drives find innumerable application in industries, right from aerospace to material handling equipment, and has become the critical technical training and education discipline in the world of vocational training
